

From IZMIR Airport and the NORTH

Exit the airport and turn left then follow the road to AYDIN.

Select the GREEN motorway route when you see the sign about 10km from the airport. You will need to PURCHASE a motorway pre Pay Card BEFORE you enter the Motorway. It is used at THE END of the journey at the exit point. Each Journey debits the card 2-2.5TL

Once you have entered the Motorway, take the direction to AYDIN and EFESUS. The road is the E87/O.31. Stay on this motorway for 36KM (about 22-25 minutes) until you see a sign for Selcuk and Ephesus, and then take this exit.

Stay on this road for 13Km (about 12-15 minutes) This road will take you through Selcuk.

Stay on this road all the way through Selcuk (do not take the Kusadasi turning in Selcuk at the MAIN CROSS ROAD) and you will then climb through the hills for 13 Km (about 12-15 minutes) and when you are at the top of this hill and start going down, you will see a large overhead sign for 'Kusadasi'.

Turn right at the sign. Be careful though as the turning is not very obvious and is just before the petrol station. This will take you into Camlik with the TRAIN MUSEAUM on your left and you will quickly pass over a railway line in about 0.6 Km.

Stay on this road and DO NOT turn right at the next 'Kusadasi' sign - in other words keep to the left fork (there is a sign to 'KIRAZLI 9km' and also a small green signboard with our hotel name on it at this fork) and follow this winding country road for 5KM (about 7 minutes) and you will pass through a village called Gokcealan. Be careful through this village to now FOLLOW the signs in the village to Kusadasi as there are a couple of sharp turns.

Continue by leaving Gokcealan and Kirazli is the next village after a further 2.4KM (about 4 minutes). As you enter the village you will pass the Kirazli Koy Sofrasi (village restaurant) and immediately after that there is a left fork in the road - again you will see our Green Hotel sign - then up a small hill keep going straight ahead and you will come into the village square (its more like a small roundabout).

You can park the car anywhere in the square and the hotel is on the road straight ahead of you with the entrance to the hotel is on the left hand side. There should be a coned sign guiding you to the front entrance.

The drive takes just over 1 hour.
